## FOOD TRUCK CORRIDOR APPLICATION

Food trucks are welcome to apply for vending space in the Dearborn Homecoming Festival Food Truck Corridor.

Carefully read through the following packet and complete the attached application by **April 1, 2026**. Because space is limited, vendors are encouraged to apply as early as possible. Applications will not be considered after the deadline.

Selected vendors will be notified via email no later than April 10, 2026. A payment invoice will be sent upon selection.

The Food Truck Corridor promotes a diversity of offerings and accommodates a variety of dietary interests and needs. A committee of festival organizers executes the selection of vendors. While the committee aims to rotate featured vendors each year, space is limited, and therefore, not all vendors will be selected.

- Based on our festival audience, halal menu options are strongly recommended.
- Food vendors without a truck unfortunately cannot be accommodated.
- Please email completed applications or questions to Jon Golich at [jgolich@dearborn.gov](mailto:jgolich@dearborn.gov).

## PARTICIPATION DETAILS & FEES: FOOD TRUCK FEE - \$2,000.00

Food trucks must commit to all three days of the festival throughout the entirety of festival operating hours. The festival will take place rain or shine.

# FOOD TRUCK RULES & REGULATIONS

1. Proof of general liability insurance, including product liability insurance, with a minimum value of \$1,000,000 (one million dollars) is required. Your insurance provider must complete the certificate as follows:

The description must EXACTLY state: "The City of Dearborn, Michigan, its elected officials, officers, employees, boards, commissions, authorities, voluntary associations, and any other units operating under the jurisdiction of the city and within appointment of its operating budget including the City of Dearborn are named as additional insured and said coverage shall be considered to be the primary coverage rather than any policies and insurance or self-insurance retention owned or maintained by the City of Dearborn."

The certificate holder must list:

City of Dearborn  
16901 Michigan Avenue  
Dearborn, MI 48126

2. If a complete certificate is not on file, you will not be permitted to operate your booth and all deposits and fees will be forfeited.
3. All food trucks require a Wayne County Department of Health Temporary Food Service Permit or must submit proof of a Wayne County Food Service License. All food trucks require a City of Dearborn Food Truck License, which may be obtained from the Dearborn City Clerk's office.
4. All food trucks must pass a City inspection on Friday, August 7, 2026
5. All onsite vendors require an ICHAT authorization from the Dearborn Police Department (further instructions will be sent upon selection).
6. Each assigned space must be left in the same condition in which it was found. All waste must be disposed of properly. If not, the food service operator will be responsible for compensation to the City of Dearborn in the amount required to return the area to its original condition.
7. The decision to cancel Dearborn Homecoming Festival due to inclement weather will be made by the City of Dearborn Festival Director. If canceled, the City of Dearborn will not be held responsible for any cost(s) or loss of potential earnings incurred by operators. However, in the event of a full cancellation of the Dearborn Homecoming Festival ahead of the festival start date, participation fees will be refunded.
8. Vendors will have between the hours of 9 - 11 a.m. each morning of the festival for setup. NO vehicles will be permitted to move through festival grounds past 11 a.m. After 11 a.m., a vendor transport cart service will be provided by the festival to move supplies to and from the vendor parking lot and your truck. Failure to comply with this rule may result in the immediate forfeiture of your vending privileges without refund.
9. Final say regarding truck placement in the Food Truck Corridor is at the discretion of festival organizers. Because trucks are allowed to leave the festival site at the end of each night and return the following morning, your exact placement within the corridor cannot be guaranteed each day of the festival.
10. The City of Dearborn has established an exclusive community partnership for bottled water sales at Dearborn Homecoming Festival. All bottled water sold or given away at the festival MUST be purchased through the City of Dearborn. To avoid price gouging on a weekend where we normally experience extreme heat, all water sales must be capped at \$2 per bottle. Pricing info will be provided upon selection.
11. Dearborn Homecoming Festival offers exclusive onsite ice sales to vendors. Pricing info will be provided upon selection.
